The screenshot shows the AWS First Cloud Journey portal. On the left, a vertical sidebar lists course weeks: Week 1 (Infrastructure and Cost Management), Week 2 (Networking services on AWS), Week 3 (Compute services on AWS), Week 3 (Storage services on AWS), Week 4 (Database services on AWS), and Week 5 (Security service on AWS). The main content area displays a browser window with the URL <https://cloudjourney.awsstudygroup.com>. The page title is "THE FIRST CLOUD JOURNEY". It features a graphic of two road signs pointing in opposite directions, labeled "START" and "YOUR JOURNEY". Below the graphic, the section title "GIỚI THIỆU VỀ AMAZON EC2" is displayed. The content area includes a "Tổng quan" section with a brief introduction to Amazon EC2, mentioning its basic features like AWS User Management and its integration with Windows and Linux. It also includes a "Content" section listing various AWS services and their sub-topics. To the right of the browser window, there is a small icon of a computer chip labeled "Amazon Elastic Compute Cloud (EC2)".

The screenshot shows the AWS Community Builders Directory page. At the top, there's a search bar with 'Q. Vietnamese' and a dropdown showing '1-9 (9)'. Below the search bar, there's a heading 'AWS Community Builders Directory' with a subtext explaining the program's purpose: 'The AWS Community Builders program offers technical resources, mentorship, and networking opportunities to AWS technical enthusiasts and emerging thought leaders who are passionate about sharing knowledge and connecting with the technical community. This directory contains all Community Builders who have chosen to be listed publicly.' On the left, there are filters for 'Community Builder Categories' (Cloud Operations, DevOps, Data, Dev Tools, Front-End Web & Mobile, Game Tech, General AWS, Machine Learning, Networking & Content Delivery, Security & Identity, Serverless, Storage), 'Location' (Asia Pacific, Europe, Middle East, & Africa, Latin America, North & Canada), and 'Community Builder Since' (2023, 2021, 2020). The main content area displays a grid of 9 builder profiles, each with a name, location, title, and a brief description. At the bottom, there's a footer with links to 'Learn About AWS', 'Resources for AWS', 'Developers on AWS', 'Help', and various AWS services like Developer Center, AWS Support, and AWS Support Overview. There's also a 'Create an AWS Account' button and social media links.
